Where only Defender has dared to go

You've journeyed through the brave new world of Williams with Defender. You've held the power of the control panel in your own hands. You've planned long-range strategy attacks with the Scanner. Ventured into the heat of battle against the alien Baiters, Landers, Mutants, Swarmers and Pods. Resorted to Smart Bomb and Hyperspace as your two escape options only when all else failed you!

You've found Defender to be the most technically advanced video game ever created. The diagnostic testing, resolution, modularity, dependability and fully independent sound system all bearing the distinctive mark of Williams.

This has been your experience with Defender. This . . . and much, much more . . . will be yours with Stargate!

Williams®

...and beyond!

Stargate will transport you to a whole new dimension in video games! Not only will the skills you learned with Defender be challenged and refined, but new strategies must come into play if you are to be victorious in rescuing the humanoids from the clutches of the aliens and in entering the Stargate! Your ability to react quickly and with on-target precision will be tested against the evil Yllabian Space Guppies, Dynamos, Space Hums, Firebombers and their Fireballs, Phreds, Big Reds and Munchies! If you succeed in maneuvering your ship into the Stargate, you'll be instantly translocated to that part of the planet where the humanoids are being abducted! To open up spectacular scoring possibilities, rescue 4 humanoids, re-enter Stargate and you'll Warp 3 Waves ahead in space and time, setting off dazzling special effects and racking up high points!

If you must destroy everything in your path or risk self-destruction, activate the Inviso anti-matter cloaking device and become invisible and invulnerable! Inviso time plus a new ship and a Smart Bomb are earned with every 10,000 points you score!

If all 10 humanoids in a Wave are abducted, the universe will explode into smithereens, leaving deadly mutants on the attack! Survive till Wave 5 and the universe will be restored, the humanoids safe ... but *you'll* be the target of an Yllabian Dog Fight! There'll be no landers to abduct the humanoids, but all the other aliens will have stronger and larger forces concentrated against you! It will be an outer space battle reaching the outer limits of aggression and will call up your last ounce of determination and courage!

Technically, Stargate establishes a new, higher plane of sophistication. Diagnostic testing not only includes Defender's comprehensive systems of ROM, RAM, CMOS RAM, sound, switch, color RAM and test patterns, but is enhanced even further to give you more detailed bookkeeping totals and complete game adjustment capabilities including the awarding of ships, pricing selection and personalized attract mode messages. The potential for higher earnings is built-in with the option of 1 coin play with 3 ships or 2 coin play with 7 ships. Now, too, 40 all-time high scorers and 6 daily high scorers can be registered as an extra play incentive.

With Defender you thought you had seen it all.
